| LYONS FALLS, VILLAGE OF | Extend collection pipes in village | \$2,800,000 |
| LYONS FALLS, VILLAGE OF | Treatment plant upgrade            | \$1,150,000 |

**Totals:** Eight communities, seven projects, \$28.63 million; largest community (Ticonderoga) has a population of 5,500.

*Note: These only represent a sampling of projects currently underway. Many communities are fearful of taking on new debt, and have avoided applying for the loan funds despite the need for better water pollution controls.*
